

SABES JCC EARLY CHILDHOOD CENTER

2011-12 preschool application

new family

Dear Prospective ECC Parent,

Thank you for your interest in the Sabes JCC Early Childhood Center (ECC)! Our licensed program provides a high quality, year-round early childhood experience in a welcoming, nurturing Jewish environment. We offer fulltime and part time enrollment options, which may include weekly swimming lessons, art, music, and gym classes taught by experienced professionals, and a meaningful and relevant Jewish curriculum as part of our daily programming.

What makes the Sabes JCC ECC Unique?

The ECC strives to provide an inclusive, Jewish environment, while meeting the guidelines set forth by the National Association for the Education of Young Children and Minnesota's Early Learning Standards.

We seek to foster within the children a positive self-concept, a joy for learning, and the ability to work and play well with others. We value the diversity of our families and our staff. We respect differences among our children and families and we strive to teach to each child's strengths. We are passionate about recognizing that our children have many facets and interests that need to be addressed including: physical needs, social and emotional needs, spiritual needs, and cognitive needs. Communication and partnership with parents is essential to us at the ECC and is done through daily notes, weekly emails, weekly newsletters, weekly curriculum, and parent/teacher conferences.

We utilize the abundance of Jewish resources available at the Barry Family Campus and other departments in the Sabes JCC including partnerships with the Heilicher Minneapolis Jewish Day School, the Tychman Shapiro Gallery, Aquatics, and Health & Fitness Center. In addition, we offer numerous in-house field trips from the Como Zoo, MacPhail School of Music, the Bell Museum, and the Children's Museum.

We support our teachers' continuing education requirements by providing first aid, CPR, SIDS and SBS training, along with other workshops on a variety of cutting-edge early childhood education topics. We also benefit from a partnership with the Sabes JCC's fulltime Inclusion Director as well as educators and consultants at Resources for Child Care to ensure we are meeting the needs of the children we serve.

Our Preschool Program...

The children are full of wonder as they develop a sense of trust in their teachers, a sense of competence in themselves, and the ability to initiate activities. Play is the work of childhood. Through active involvement with their environment, children try to make sense of the world around them. Our developmentally appropriate curriculum, implemented by our experienced, highly trained and nurturing staff, seeks to maximize the social-emotional, cognitive and physical development of each individual child.

Children enrolled in our Preschool program are approximately 3 to 4 years old. Throughout the week the preschooler has the opportunity to explore with the play materials in the classroom, engage in teacher initiated, developmentally appropriate curriculum, and based on days enrolled, participate in swimming, music, art, and gym.

Application Process...

To ensure your child a spot in our preschool program please read and complete the application and return it to the ECC office along with your \$200 application fee; \$100 of this will go towards your first month's tuition. ***Please note that our rates are based on the cost of a full year program and then divided into equal monthly payments.***

Once your application has been processed you will be contacted by the ECC when a spot becomes available. At this time you will receive an Enrollment Packet, which includes an ECC Parent Handbook and various enrollment forms to be completed. All of these forms are required to be completed prior to a child beginning care at the ECC. We also encourage families at this time to set up times for parent(s) to bring their child into the classroom for a visit to assist with the transition process.

Limited, need-based scholarships are available on a first-come, first-served basis. For questions regarding scholarships, please contact Heather Saulsbury at 952.381.3409 or hsaulsbury@sabesjcc.org. The scholarship process is confidential.

While membership at the Sabes JCC is not required with ECC enrollment, families who choose to be Sabes JCC Premium or Community Members receive a discount on their monthly tuition. For more information on Membership, please contact Liz Gronert at egronert@sabesjcc.org or 952.381.3527.

As always, we are committed to making the ECC accessible to all children. We have increased the funds available for scholarships, and encourage you to apply for financial assistance if needed. Our goal is to make our ECC program as affordable as possible.

If you have questions, please feel free to call, email, or stop by the ECC office.
