Summer 2017

Whether you want to swim laps, play with the kids, or just float around, our indoor pool has five lanes, as well as a ten-foot-deep end. And if you are just shy of three feet tall, our wading pool has you covered!

If it's water education or fitness that you're after, we offer a variety of classes for all ages and abilities. We have group classes, as well as private and semi-private classes with one-on-one instruction from our qualified swimming instructors. Small class sizes allow for greater individual attention and we creatively use age-appropriate games, songs and teaching techniques to ensure that everyone enjoys their lesson and leaves the pool with a satisfying sense of accomplishment.
