

Dear parents,

The Sabes JCC Summer Camp staff cannot supply your child with any over the counter medication unless we have a permission slip on file. This includes things such as sunscreen and bug spray in the case they are forgotten occasionally. It also includes antibiotic cream (for cuts) and hydrocortisone cream (anti-itch for bites) which can be used for basic first aid.

We do keep these items on hand. If you would like for us to provide these items, please sign and return.

Thank you!

Child's Name _____

Parent's Name _____

I give permission for Sabes JCC Summer Camp staff to administer the following to my child (named above) in the manner described on the packaging:

- ☐ Sunscreen
- ☐ Bug spray
- ☐ Antibiotic cream
- ☐ Hydrocortisone cream
