## Spring 2018

Whether you want to swim laps, play with the kids, or just float around, our indoor pool has five lanes, as well as a ten-foot-deep end. And if you are just shy of three feet tall, our wading pool has you covered!

If it's water education or fitness that you're after, we offer a variety of classes for all ages and abilities. We have group classes, as well as private and semi-private classes with one-on-one instruction from our qualified swimming instructors. Small class sizes allow for greater individual attention and we creatively use age-appropriate games, songs and teaching techniques to ensure that everyone enjoys their lesson and leaves the pool with a satisfying sense of accomplishment.

## SWIMMING LESSONS

We offer swim lessons for all ages and abilities, with emphasis on confidence, personal safety, swimming skills, endurance, and social skills. Choose the level that is appropriate based on swimming experience. Or, if you need more personal attention, private and semi-private lessons are available year-round.

**Adult private lessons are also available!**
