

Attention Families!

Ready for a fun summer experience?!?!

Camp Olami is bringing over staff from Israel known as Shlichim (emissaries). These young and talented individuals will be here for the summer as part of our camp community, working with our staff and campers to bring Israel a little closer to us all.

To ensure a successful summer for the Shlichim

WE NEED YOUR HELP!!!

We are seeking warm, welcoming families to house our Shlichim and serve as their home away from home this summer. Please consider opening your house to an Israeli guest for a short time (3 weeks or more).

Imagine...exploring your differences, discovering surprising similarities, and teaching your children about Jewish values through first hand experiences. Imagine...seeing your own community through the eyes of an Israeli citizen and rediscovering the simple things that we often take for granted right in your own home.

If you are interested in housing a Shaliach this summer, or would like to know more about what is involved, please contact me by April 26, 2019.
