# Sensory-Friendly Swim Time

## UPCOMING DATES:

Sunday, April 7, 2019

Sunday, May 5, 2019

Sunday, June 2, 2019

**TIME: 5:00 - 7:00 PM**

We are excited to offer a once-a-month, special swimming session in which we modify the environment to create a calmer atmosphere in the pool, creating a more sensory-friendly environment to those with autism and other special needs. The music will be turned off; whistles will not be used within the vicinity of the pool and staff will be trained to understand the special needs of children and families. The space will be welcome to everyone at the time, just with some minor adjustments to make it a safe and calm place for everyone to enjoy.
