

Swim Lessons

Private and Semi-Private option available

Private swim lessons allow clients to have one-on-one training in the pool with a qualified instructor, at their own pace, fitting their own schedule needs. There is no better aquatic instructive experience than personal and small-group private sessions.

Private Lessons

With private lessons you can move at your own pace, learn only what you want and get individual attention. Working together to make the most of each lesson and come up with a practice plan, all while having fun in the process.

Pricing: \$130/month • Non JCC Members Member Value Price
\$100/month • Member Value Price

Semi-Private Lessons

Semi-private lessons allow two or three people to take swim lessons together. Clients customize the target areas for lessons.

Pricing: \$95/month • Non JCC Members Member Value Price
\$70/month • Member Value Price

How does it work? Once we have credit card on file and at the beginning of every month that card will get charged. As soon as you decide you want to stop, you let the instructor know and the payment will be paused/cancelled.

Cancellation Policy

If for any reason you are unable to attend an already scheduled lesson, the instructor needs at least 24 hours notice. If notice is not received in that time, you will be charged for the lesson.
